COMMITTEE REPORTS:

Club Show Coordinator - Jillian Higgins – For our upcoming show in Bonney Lake, Swiss Park, we need volunteers for the following.

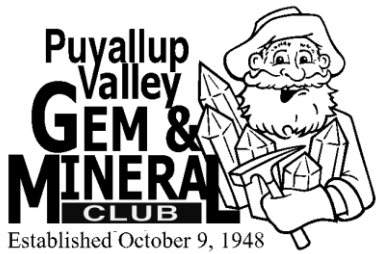

- Kitchen Stove Operator for 1 ½ - 2 days

Jillian reported that all the inside vendor spots are reserved. This didn't happen before this early in the year! Probably because the weather tends to be unpredictable during that time. And, we have already reserved 25 vendor spots outside.

Clubhouse Coordinator – Wes Ames – At the clubhouse, we are looking for instructors, and instructor's helpers. Please see Wes for more information.

Field Trips Coordinator – Paul Haak – Our upcoming field trip on March 21st is to Walker Valley. It's been a long time since the club has been to this site. Meet at 10 AM at the park and ride. It tends to be slick and muddy, so dress appropriately.

Public Outreach Coordinator – Mark Baumann – Mark reported that the last community outreach event was well received. The students were very interactive and asked lots of great questions. (They received a rock when they asked questions). The next event is on April 2nd with the Peninsula School District (Vaughn Elementary), then on May 2nd we will be participating in a STEAM fair at Firgrove Elementary. Join us! Also, if you know of any teachers who would love to have us come in for a presentation, let Mark know.
